2009 Water Issues

SB 64: “Water right” means any vested right or appropriation right under which a person may lawfully divert and use water. It is a real property right appurtenant to and severable from the land on or in connection with which the water is used and such water right passes as an appurtenance with a conveyance of the land by deed, lease, mortgage, will, or other **voluntary** disposal, or by inheritance.

2009 Water Issues

- Sec. 2. K.S.A. 82a-705 is hereby amended to read as follows: 82a- 705. No person shall have the power or authority to acquire ~~an~~ **a new** appropriation right to the use of water for other than domestic use without first obtaining the approval of the chief engineer, and no water rights of any kind may be acquired hereafter solely by adverse use, adverse possession, or by estoppel.
- Sec. 3. K.S.A. 82a-707 is hereby amended to read as follows: 82a-707. (a) Surface or groundwaters of the state may be appropriated as herein provided. Such appropriation shall not constitute ownership of such water, and appropriation rights shall remain subject to the principle of beneficial use.
- (b) ***The date of priority of every water right of every kind, and not the purpose of use, determines the right to divert and use water at any time when the supply is not sufficient to satisfy all water rights.*** Where ***lawful*** uses of water ~~for different purposes conflict have the same date of priority,~~ such uses shall ~~conform to have~~ ***priority*** in the following order of preference: Domestic, municipal, irrigation, industrial, recreational and water power uses. ~~However, the date of priority of an appropriation right, and not the purpose of use, determines the right to divert and use water at any time when the supply is not sufficient to satisfy all water rights that attach to it.~~
